# Documents and Pre-requisities

- Guest has to do **PCR test** from Approved Centre, not more than 96 hours before landing.

- **Travel Insurance is a must** and Immigration Officer asks for the copy, if guest does not have he will be charged fine of 5000 AED on the spot, so no guest should travel without insurance.

- The Travel insurance **should cover Covid-19**, as of now all insurance companies say it is covered but only **TATA AIG** is the only one giving it in writing right now.

- Guest needs to **Sign Health declaration** form to bear all cost of Quarantine and Treatment. (Costs in case he tests positive)
# Procedure at Indian Airport

▶ At the Airport in India, Guest should reach at least 04 Hours before their Flight Time.

▶ When the Guest reaches Airport, there is a counter before Entry Gate and **3 Airport Staffs** shall be waiting to check the Guest and his details.

▶ The First person will check temperature of the Guest.

▶ The Second person will mention it in one form (which is like duplicate, above and below same details), he will keep one part of it and handover the copy to Guest to show at Airline Counter.

▶ The Third person is CISF Staff who will check the Documents, i.e. the above Form, Ticket, Visa and then allow the Guest to enter the Airport.
